LI: We are learning to read unfamiliar texts with increasing fluency, understanding and expression.

SC:

- I can choose a book/piece of literature and read it fluently either to myself or to an adult.
- I can use context clues, punctuation, grammar and layout in order to understand the text.
- I can apply a range of reading skills I have learned to be able to read and understand texts such as skimming and scanning and predicting.

Activity:

Read a book for 30 to 45 minutes every day. If you are unsure of the level of the book you have you can use AR book finder to search.

If you do not have any books but have a device you can download free books at

If all of the above is not possible, read anything you have in the house. For example, menus, newspapers, magazines, cook books or leaflets that come through your door. Anything will help you.
