P4 Literacy and Numeracy Tasks – Week beginning 18.05.20

Writing	Spelling	The Tooseys	Reading for Enjoyment
LI: To write an information report on a mythical creature. You have already written a great report on Trolls. Now, use the same underlying structure to write a report on a mythical creature of your choice! Success Criteria and Planning support is in the PDF.	Choose your spelling words with the soft c rule. There are some suggested activities for you to practise your words in the PDF.	LI: To write a letter inviting your chosen Toosey on an imaginary holiday or special day out. Read through the information called "Toosey Tail No 3 – Let's Plan a Holiday" to help with this task.	Keep reading for enjoyment when you can! Here is the link for AR tests **https://ukhosted26.renlearn.co.uk/2243939/default.aspx** Activity: Write an alternative ending to a book you have read.

Adding using split strategy	Revision Consolidation Sheet	First Level Numeracy Calendar - May	Telling the Time
This week we will revisit the split strategy for addition. It is also known as "expanded addition" and involves splitting numbers into hundreds/tens/ones and then adding. There are 2 PDFs you can work through. I know some of you have been trying out column addition, so this nicely makes a connection between both strategies.	Have a go at a First Level revision sheet. There is also a Second Level sheet for extra challenge. Questions have been highlighted in red where we would like you to show your strategies.	Have a go at the First Level Numeracy Calendar for May. Do what you can. You could catch up on the dates we have missed, or just do one question a day starting from this week.	Our next Maths topic is Time. This week we will revisit analogue and digital time *O'clock and half past **O'clock, half past, quarter past, quarter to ***5 minute intervals. * *Please note, this is a large document for printing. Have a read through first to select the specific pages you would like to work on.
