

Going Spotty!

Player 1

Player 2

Roll a 1-6 dice. Double the number on the dice and cover up the double on your ladybird.
Winner—First to cover all their ladybird doubles.

To play game you need:
1-6 dice and 5 counters each

Game for two players

1. Roll the dice and find the frog that matches the number on the dice.
2. If you can't place a counter on a frog then you miss a turn.
3. Players take turns.
4. Winner is first player to have placed their 5 counters on the board.
