

P2 Literacy, Numeracy & Maths Activities

22.06.20 - 26.06.20

Maths - Scavenger Hunt Test out your maths knowledge with this fun scavenger hunt. Make sure you have an adult's permission to take things from around the house. Use the empty grid to draw or write what you find for each box. You could also make up your own scavenger hunt using a copy of the empty grid.	Maths - 100 Square Jigsaw Challenge Can you show your problem solving skills and complete the 100 square jigsaw puzzles? There are four different puzzles to solve. You can do this online at the following link: https://nrich.maths.org/5572 The puzzles are also attached in paper form if you would prefer to print your puzzles instead. Remember to let us know how you got on with this problem solving challenge!
Numeracy - Colour by Addition Choose your challenge: Addition to 10, 20 or 100. You can either print out the grid to colour, or colour it on the computer using the Notes page on Teams. If you don't have a printer, you could always create a colour by number yourself. Make it at the beginning of the week and go back to complete it at the end of the week. The Funky Mummy game can be played to help with addition sums at any of the three levels. Choose + up to 10, + up to 20 or bonds of 100 to correspond with each challenge level. https://www.ictgames.com/mobilePage/funkyMummy/index.html If you would like an extra challenge, there is an extra colour by addition and subtraction sheet. We'd love to see a photo of your work or for you to tell us how you got on with it on the Class Notes page.	Numeracy - Numeracy Quiz Use all of your numeracy skills and knowledge to create your own quiz. You could include addition and subtraction questions, missing numbers, number patterns and odd and even numbers. Try to include at least 10 different questions and remember that you must know the answers. Examples of some questions could be: What number comes next 12,14,16...? Which of these numbers is odd 20,26,33,42? What is $12+7$? If I have 10 sweets and eat 3 how many are left? Continue the pattern 1,4,7,10... We would love to see your quiz questions and hear how you have got on with this task, you can type your questions into the notebook or upload a photo. You could even send a video of you asking your questions.

<p>Literacy - Reading - Environmental Print</p> <p>Can you go for a walk around your house and find 10 examples of environmental print? For example; labels on food packaging, symbols on a remote control or logos on clothing.</p> <p>Talk to someone at home about the information that the text is giving you.</p> <p>You could try to create a short video presenting the text you found and the information it gives you.</p>	<p>Literacy - Listening & Talking- Name 5 Things</p> <p>This game will help you to think about the world around you and improve your talking and listening skills.</p> <p>On the attached sheet you will see lots of examples of name 5 challenges, these include statements such as name 5 things that you can carry, read or ride. There are lots to choose from, you are challenged to select at least 5 different ones, you can however do more than this if you wish. Ask someone to play with you, you could take turns in asking and responding to the statements, this will help you to develop both your talking and listening skills.</p> <p>Try to be as creative as you can and have fun, we look forward to hearing how you get on.</p>
<p>Literacy - Read, Write, Inc</p> <p>There are different attachments for each group with tasks on each. Work through as many tasks as you can. This link might help parents with Read, Write, Inc: https://www.youtube.com/playlist?list=PLDe74j1F52zSCiOMSn3zQDSzgu9TrbQ1c</p> <p>The video Introduction to Daily Read Write Inc. Phonics Lessons may be particularly helpful.</p> <p>Lots of you have found the the online lessons to be very useful, you'll find these here:</p> <p>Set 1 speed sounds, word time and spelling: https://www.youtube.com/playlist?list=PLDe74j1F52zSHkrG_OoWuOsHbTLCEzq1G</p> <p>Set 2 speed sounds and spelling https://www.youtube.com/playlist?list=PLDe74j1F52zTYEYHmhC68VV_LVvzu-imu</p> <p>Set 3 speed sounds and spelling https://www.youtube.com/playlist?list=PLDe74j1F52zRJc5SKIq2QA85oScvky-PP</p> <p><u>Colours and sets</u></p> <p>Red - set 1</p> <p>Green & Purple - Set 2</p> <p>Pink & Orange - Set 2 & 3</p> <p>Yellow, Blue & Grey - Set</p>	<p>Literacy - Writing - My Year in P2</p> <p>This has certainly been a year like no other and one that you will remember for a long time!</p> <p>Write about your time in P2. It can be from your time at school or about your home learning experiences, or a mixture of both.</p> <p>You can use these questions to help you to get started:</p> <ul style="list-style-type: none"> • What has been your favourite thing about your time in P2? • What new things did you learn in P2 that you did not know in P1? • What is your fondest memory of P2? • Was there anything you did not like about P2? • What do you miss the most about school? • What are you looking forward to, next year in P3? <p>These are just some ideas to help to get you started. This is your own personal account about your time in P2. Write about what it meant to you.</p> <p>Remember to upload your work or you can type your account directly into the Class Notes attached.</p>
