

Four Seasons – Winter

I Love Winter

I love winter! Winter is cold.
It's Christmas with sleds.
It's warm, snuggly beds.
It's silver snowflakes.
It's skating on lakes.
It's snowmen that stand
In a snowy, white land.
It's blue jays that feed
On sunflower seed.
It's angels that pose
In wintertime clothes.
It's a polka-dot sky.
It's winter. That's why.....
I love winter.

My Winter Friend

One morning I went out to see
A world of white in front of me.
So I rolled three balls
And stacked them up,
Rounded the sides
with a push and a jump.
I put on a top hat,
A scarf and a face.
I named my Winter friend
And gave him an embrace.
I hope that you will stay for a while.
Oh snowman,
you have made me smile!

The birds are gone, the world is white,
The winds are wild, they chill and bite;
The ground is thick with slush and sleet,
And I can barely feel my feet.

It's cold outside.
I don't want to go outdoors and play.
But Mum says I have to anyway

It's starting to snow and I'm going to freeze-
I hate playing outside on days like these
But wait a sec. I've had the most amazing, brilliant idea!
I'll cover myself up with snow and I'll hide in here!
