Play, Grow, Learn Together - Kindness, Curiosity and Respect

Mrs Linda Clarkson

Head Teacher

It is wonderful to welcome you to Burnbrae Primary Curriculum Evening! We want you to have the information you need to support your child's learning. School staff working in partnership with Parents and Carers will ensure our children will make the best possible progress in all aspects of their learning.

I look forward to working with you throughout the session.

welcome

Our Vision

- Burnbrae plays together, grows together, learns together
- Children are encouraged to behave in a way which ensures every learner is Ready to learn, Respectful and Safe. Every class has a charter setting out the standards agreed and also a Board of Recognition to encourage children to aspire to be their best.
- We are committed to working together with families and other agencies to ensure all learners can be all they can be.

At Burnbrae

we learn, grow and play

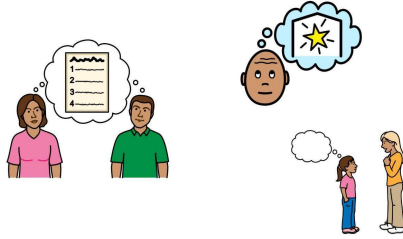

together

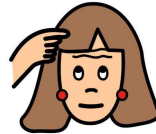

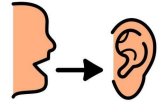

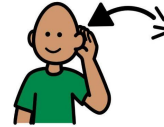

Kindness

Curiosity

Respect

Daily Organisation

- P.E. is currently on :
P3A - Monday, Thursday and Friday
P3B - Tuesday and Wednesday
- Children are required to wear comfortable sportswear and appropriate footwear on P.E days. Indoor PE lessons will require **indoor gym shoes**.
- Please ensure children are coming to school with a jacket as we are outdoors daily.
- Please ensure children come to school with a **water** bottle filled with **water**, and a snack every day. (We will always provide cups and fruit if not possible.). If your child is having a packed lunch, please provide a separate drink.
- Please label all items of clothing and property with your child's name.

Made by FREE-VECTORS.NET

NCCT

NCCT stands for Non Class Contact Time. Teachers use this time out of class to plan and prepare learning. When teachers have NCCT the class is taught by another member of teaching staff.

NCCT in P3 is currently covered by Mrs Marrins and Mrs Corrieri.

P3A – Tuesday 2:15-3:15 (RME with Mrs Corrieri), Thursday 10:30-11:15 (P.E with Mrs Marrins)

P3B – Tuesday 12.45 - 2.00pm (RME with Mrs Corrieri) , Wednesday 2.15pm - 3.15pm (PE with Mrs Marrins)

At Burnbrae we are all ready, respectful and safe

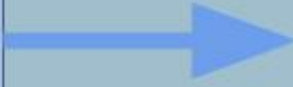

Ready, looks like

- Chromebook charged each day
- Packed Lunch on the trolley every morning
- Take everything you need with you outside - coats, hats etc
- Indoors shoes on in school and change at break time
- Hoods down and ready to listen

Respectful, looks like

- Using appropriate language
- Speaking at an appropriate level
- Using your zones of regulation - what do you need?
- Thinking of others around you - how do your actions impact other children and adults
- Looking after property

Safe, looks like

- Staying in school grounds
- Being where you should be and not indoors at break/lunch times
- Not being in the library unsupervised
- Listening and following expectations
- Being dressed appropriately

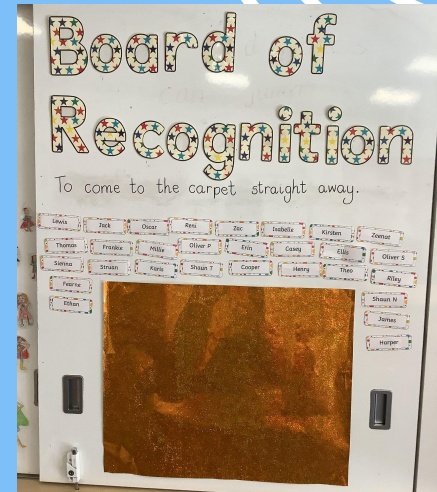

Behaviour Expectations

P3A

Each class has created their own class charter based on the school behaviour policy - 'Ready, Respectful and Safe.' We have thought really carefully about what we think Ready, Respectful and Safe should look like in our own classroom.

In class we are using a Recognition Board to recognise positive behaviour. We identify a class target and work together to help all children achieve this each day where possible.

Each week, we will select a 'Star of the Week' who has demonstrated the school values of Ready, Respectful and Safe.

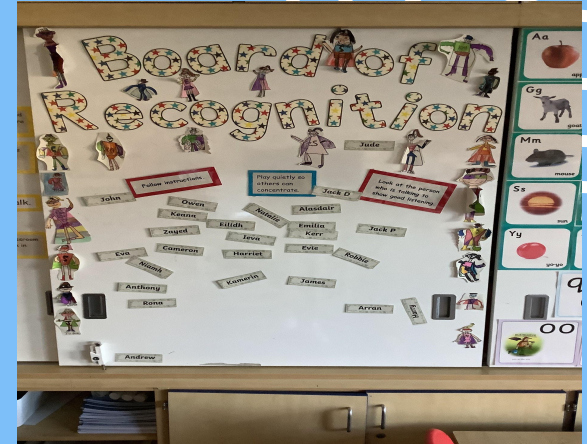

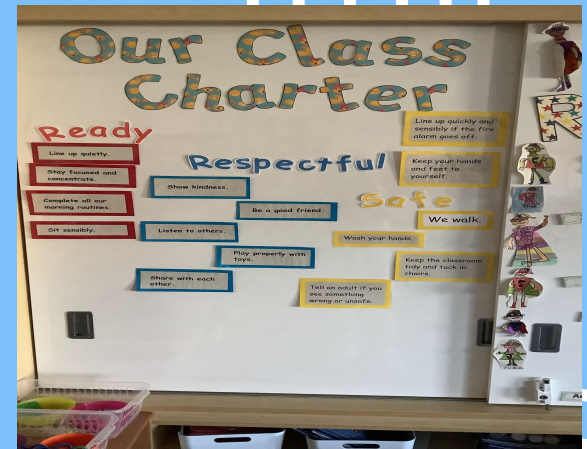

Behaviour Expectations

P3B

Each class has created their own class charter based on the school behaviour policy - 'Ready, Respectful and Safe.' We have thought really carefully about what we think Ready, Respectful and Safe should look like in our own classroom.

In class we are using a Recognition Board to recognise positive behaviour. We identify a class target and work together to help all children achieve this each day where possible.

Each week, we will select a 'Star of the Week' who has demonstrated the school values of Ready, Respectful and Safe.

Home Learning

In P3, your child will experience a variety of home learning experiences. These will be completed on a weekly, termly or ongoing basis throughout the year.

Every week, your child will get a reading book and a Numeracy and Maths challenge posted on Seesaw.

Each term, your child will receive a paper copy of sounds and words to support teaching in Read Write Inc. An IDL (topic) grid will be uploaded to Seesaw. There are 9 activities for the children to choose from. Teachers will give children time to present their work in class.

Annual resources of spelling activities, reading question and a life skills grid will be uploaded on Seesaw for you to use.

You will also be given a common word spelling booklet and login information for Oxford Owl, Education City and Sumdog.

Learning through and with digital technology

Burnbrae rules to keep you safe online can be found on our interactive digital technology webpage -

<http://edublog.mgfl.net/burnbraeps/digital-technology/>

All children in P1 -3 have access to their own iPad. All children in P4 - 7 have access to their own chromebook. This term we will have a focus on safe and responsible use of devices. Device will not be sent home until after the September weekend and only once Class Teachers feel children have a clear understanding of acceptable use of devices.

Learning through and with digital technology

This is how we stay safe when we use devices:

- ★ I will ask a grown up if I want to use my device
- ★ I will follow instructions when I use my device
- ★ I will take care of my device and other equipment
- ★ I will ask for help if I am not sure what to do
- ★ I will tell a trusted adult if I see something that upsets me on the screen

Devices will be sent home after the September weekend, once we are confident that the children have the skills required to use them and that all software updates have been completed.

Digital Inclusion and Learning Team Device Repair/Replace Policy

Damage to devices must be reported immediately to Sandra Scanlon, Mrs Knight or Mr Smith.

Pupils are responsible for

Keeping the device in its case

Not putting stickers or labels on the inside of chromebooks- this can damage the screen

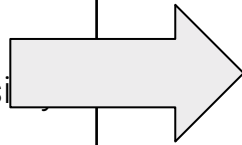

Keeping the device away from water bottles and fluids at all times

Transporting the device safely and sensibly to school each day

Charging the device

Shutting down the device properly

Following all advice in the [Pupil Support Guides](#)

Replacement devices **(like-for-like)** are supplied when:

- A device is faulty and the Troubleshooting Guide cannot resolve the fault
- Accidental damage occurs- reason for damage is required

Replacement devices **(non like-for-like)*** are supplied when:

- Malicious damage occurs
- Repeated irresponsible use occurs

**typically older non-touch, non-flip models of device*

Replacement devices not routinely supplied when:

- **Keys have been picked off or removed- user should use onscreen keyboard**
- **Headphone jacks have been snapped in the device**

When using Seesaw, we would like you to log in as a family member.

If you have more than one child using Seesaw this will also allow you to switch between accounts.

Please let us know if you would like us to re-issue your family login information.

Welcome to Seesaw!

Connect on the Seesaw Family app

Seesaw is home. It's where your child's learning lives. It's where home-school communication lives. All in one place! Let's get you connected.

Steps to Connect

Look for a **printed, email, or text** invite and follow instructions!

- 1 Download the **Seesaw Family app** or go to **app.seesaw.me** on a computer
- 2 Click **'I'm a Family Member'**
- 3 **Printed Invites:** Scan the QR code
Text/Email Invites: Click the link
- 4 Follow the prompts to **create an account** or **sign in**

How to Use the Family App

Adjust **Account Settings** and connect to Seesaw Journals for additional children

View and engage with **all recent posts** from all of your children using Seesaw

View posts from **one child or class** (vs. all recent posts in the Home tab)

Receive Announcements and **reply** with private messages and multi-modal attachments

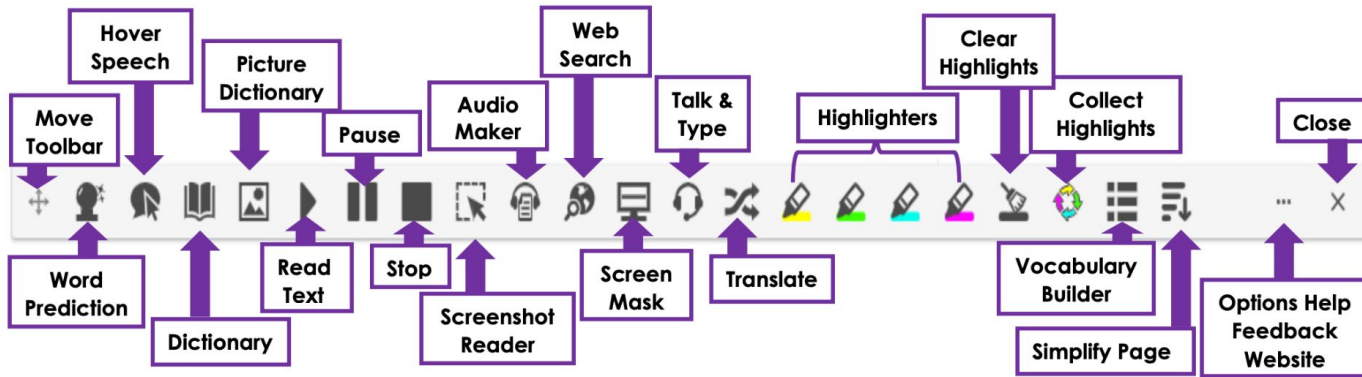

Connected family members see only their own child's learning

Watch a step-by-step tutorial - seesaw.pub/FamilyIntro

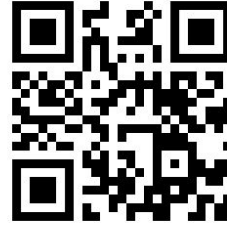

Read and Write Toolbar

All pupils and staff in Midlothian have this amazing accessibility toolbar built into their Chromebook device, courtesy of the Equipped for Learning project.

 The children will be introduced to this App later in the session.

Digital Support for Parents, Carers and Pupils

- Digital Support
- Digital Safety
- Guide to using Google Classroom at home

Explore guides, advice and information around all the online platforms and trends at the heart of digital family life

Literacy

Our current class novel is Esio Trot by Roald Dahl. We have been exploring the story across the curriculum making links with STEM (Science, Technology, Engineering and Maths) in particular.

In P3 most children will be taught reading and spelling, (phonics) as well as some grammar and punctuation through the Read Write Inc (RWI) programme.

Children will also continue to learn their Planet Spelling words both in school and at home.

The Talk 4 Writing programme will support the teaching of planned writing across different genres, including imaginative and functional. Our first block of writing will be based around Jack and the Beanstalk.

We will engage in a range of fun listening and talking activities and will participate in individual presentations later in the year.

In Primary 3 we will continue to use the Read Write Inc. (RWI) programme to develop reading and writing skills.

Each child is assessed and placed into a RWI group based their phonics sound knowledge and reading skills. Children work with a group based on their ability to ensure progress and confidence in their reading skills. Groups are assessed every 6-7 weeks and children are moved accordingly to either accelerate progress or provide further consolidation.

When your child is 'off the programme' they will engage with a variety of different texts including short novels, extracts from texts and online texts. Here they will make predictions, answer and create questions, learn to summarise and make connections with their own lives and in the world around us.

They will also begin to learn more complex spelling patterns and apply these in different contexts.

Your child will choose a book to bring home to share. Books will come home on a Monday and be returned on a Monday.

Numeracy and Maths

- We will continue to follow the Midlothian progression covering all aspects of Numeracy and Maths throughout the session.
- We will be using oral games, concrete materials, iPads, jotters, whiteboards and discussion to develop our understanding of concepts.

We are currently learning to:

- Count in 1s, 2s, 5s & 10s within and beyond 100.
- Recognise, sequence and order numerals within and beyond 100.
- Talk about and identify the value of each digit in a number.
- Quickly recall addition and subtraction facts within 10 or 20.
- Build numbers within 100.
- Solve written calculations using the symbols + - and =
- Identify, name and describe common 2D and 3D shapes.

Health and Wellbeing

We will be using the Zones of Regulation for daily check-ins, alongside the RSHP and Healthy Schools programme to develop social, emotional and mental wellbeing.

We will also continue to learn about and discuss resilience to support our learning and mental wellbeing. This will be a regular feature of our assemblies.

We will be accessing a range of PE experiences on a weekly basis.

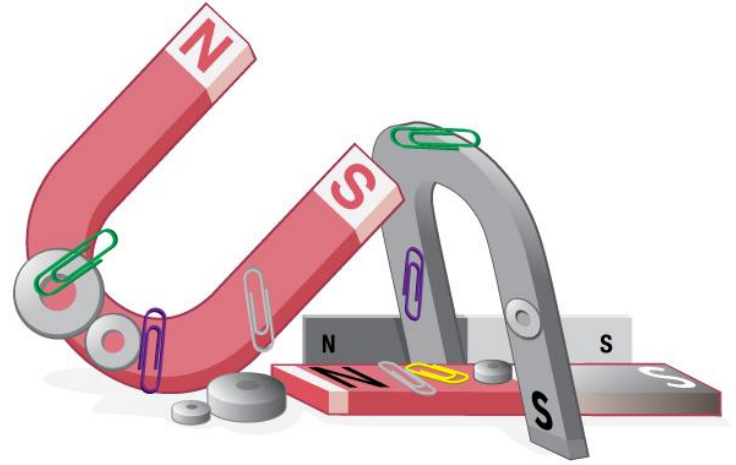

Topic Work

We have been reading the novel Esio Trot and participating in STEM activities based around this.

Our next topic will be Forces in which we will investigate forces on toys and other objects. We will be talking about magnets and identifying magnetic and non magnetic materials.

After Christmas we will begin a topic on Scotland.

How you can help

Please:

- o Contact the school office via email if you need to make an appointment or ask any questions
- o Ask your child about homework and their learning
- o Encourage your child to organise themselves
- o Ensure all clothing, water bottles and lunch bags are clearly labelled
- o Ensure no personal belongings are brought from home except for lunch boxes, snacks and water bottles
- o Please keep all toys and special items safe at home
- o We enjoy using our outdoor space. Please send your child ready to learn in all weathers.
- o Download the school app

Communication

The school App is our main platform for sharing school newsletters and information

Information will always be posted to the school app in the first instance. Please contact the school office if you require support to download the app

Home learning platforms:

Staff will post announcements and reminders to families between the hours of 9:00am and 5:00pm on Google (P4- 7) or Seesaw (ELC, provision and P1-3)

Direct messages to staff should only be made through email to Burnbrae.PS@midlothian.gov.uk

All communication for appointments should be made through the school office

Good news and general achievements will also be shared on Twitter @BurnbraePS

Home Dates Messages News Information

Parent Club offers up-to-date guidance from the Scottish Government on your child's health and education. It's full of hints and tips from other parents and carers who've been there before. It also has advice to help you look after your own wellbeing and to point you in the direction of the support available.

Parent Club have hundreds of articles across dozens of topics, from help getting their vaccinations to help getting them to eat their tea. Most articles are sorted by age, so no matter how old your children are, you'll easily find the information relevant to them. There are also plenty of articles for soon-to-be mums and dads to help you prepare for the adventures ahead. Plus all the information on the Baby Box.

All families are different and have their own challenges, but every parent wants their kids to grow up healthy and happy. Parent Club are here to help you every step of the way.

Curriculum for Excellence

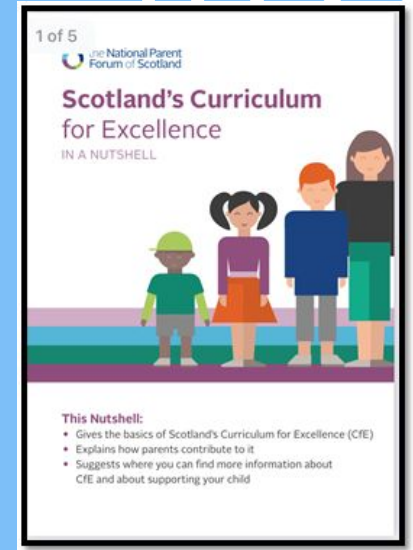

Curriculum for Excellence in a Nutshell

Scotland's curriculum – Curriculum for Excellence (CfE) – helps our children and young people gain the knowledge, skills and attributes needed for life in the 21st century

Curriculum for Excellence places learners at the heart of education. At its centre are four fundamental capacities. These capacities reflect and recognise the lifelong nature of education and learning. The four capacities are aimed at helping children and young people to become:

- Successful learners
- Confident individuals
- Responsible citizens
- Effective contributors

Further information can be found here -

Thank you for visiting our school, we would appreciate five minutes of your time to capture your feedback and suggestions. Please scan the code below to complete our short feedback form.

Thank you
Team Burnbrae
